FRIDAY......JUNE 23, 1876.

For President: RUTHERFORD B. HAYES,

For Vice President WILLIAM A. WHEELER

A NEW COINAGE.

Sherman, will, if it becomes a law, until I took my seat as a member of fire was extinguished without much give us a new coinage. The bill heretofore felt that it were better for loss. While the engines were being by Dr. Linderman, provides that on take an active part in the debates of named Frank Craven was knocked the obverse of the face of gold and silver coins there shall be an impression emblematic of Liberty, with it seems to me that the time has the inscription "Liberty," and the pear of coinage. On the reverse of liable to the charge of egotism on the one hand or excessive modesty on the other. I can with propriety and on the trade dollar there shall give expression to my views upon group of the important questions of the important questions of Manysyllar, June 22. be a representation of an eagle, with the inscription "United States of the coin. Silver dollars and all silver coin, except the trade dollar, are bear on their reverse a wreath together with the denomination and the inscription "United States of America." The bill authorizes the commendation, candor compels me America." The bill authorizes the commendation, candor compels me Director of the Mint, with the ap. to say that they have fallen far short returned to the place where he found proval of the Secretary of the Treas-ury, to cause the motto, "In God we would charge the Democratic ma-Trust" to be inscribed on such of the jority with any acts of positive wrong, shortly and was instantly covered by coins as shall admit of this. It is except as evil has resulted from their the guns of the waiting party and next provided that the three-dollar failure to act at all. gold pieces and twenty-cent silver pieces shall not be coined, and the third section of the bill is as follows:

emblems and inscriptions as are pro-per to the Republic of the United. They will be all the better citizens States, but plainly distinct from the They will be all the better citizens gold and silver coins; and each mi. for it: nor coin shall express its proper date and value.

SERIOUS TROUBLE IN PROSPECT.

priation bills are not finally passed laws. ple will hold them responsible. The action. The State has vindicated action. The State has vindicated be transacted in the street during to make bad legislation odious, is to attrictly enforce, and he will be quite these foolish men go.

The initimesting of their lifeadysed 30th to July 5th. No business is to and while in this condition a cost from the betransacted in the street during that time. No definite action has to my back, and not a line tunited or a seal broken! as good as his word.

Reveille has been shown Hayes' Committee of California has issued a favor of adjourning for a longer style of writing, and thus explains it: circular to Republicans in the inte- period.

the Cincinnati Convention's nominee for President. The chirography is paign must be apparent to every number express themselves as disthe same as that of all great men—
Republican: prompt, persistent and satisfied with the past management very bad—and bears a likeness to serve. Unexceptional men have and its large expenditures. being almost undecipherable.

chirography will enter very largely organization is commenced and main into the campaign. Still if this tained until the close of the election it is fair to presume Haves will be as it is fair to presume Hayes will be as true way to realize it is to be previctorious on that as he is upon all pared at all points to meet the comother great topics of National common foe. With attention, organizacern. It is a safe wager that his op- tion, an undivided support of the ponent will have to sign his name principles of the party, there is not lost blood almost continuously since a doubt that this State is good for yesterday morning. He is supposed something after this style: X

THE Trustees of the Overman Minof stockholders for July 25th, to take where there are any Republican lifty miles has been made to keep the into consideration the question of in. voters, or those who desire to act into consideration the question of increasing the capital. We believe this is the third meeting called for this purpose, the previous two having been barren of the desired result. The Overmrn mine is now divided into 38,400 shares of \$100 each, and these are selling for about \$60, which ably be carried this time.

CONVICTED OUT OF THEIR OWN TELEGRAPHIC NEWS

No doubt Mr. Savage, Congressman from Mississippi, believes that an "honest confession is good for the soul," for he arose in his seat on yard took fire at 1:15 P. M. to-day. the 13th inst. and frankly admitted In less than a minute the flames. that the present Democratic House with a dense smoke, shot upward is a Democrat, but his speech indi- company lost no time in connecting cates that he is entirely different their hose with a hydrant near at from the majority. When men of hand, and in three minutes had two their own party admit that the Dem- streams on the fire. The gasometer ocrats are out of place, the indict- was in imminent danger, being withment plank in the Republican plat- in twenty feet of the fire, and an exform is conceded to be true. But plosion was looked for every minute.

Savage: The bill introduced by Senator a member of any legislative body such a terrible catastrophe. The which it is understood was prepared me to listen to others rather than to hauled to the fire by a team, a man

LET THEM GO.

The devices on minor coins, that Hill News fully expresses and coin-tained forty-seven thousand dollars.

A petition is being circulated in attempted to incite an anti-Chinese pressed him favorably with his views A New York Tribune Washington the fine. They say in their petition research and neither one is able to pay the fine. They say in their petition research and neither one is able to pay the fine. They say in their petition research and resea special draws a startling picture of that they were unduly excited, and what may be the result if the Appropriation bills are not finally passed laws. They are able to raise only tors of the Albany Argus. The Sengard of the present by both Houses in less than ten days.

So which is the cost of the prosecution, and they naturally object to The main features are that our Min-languishing in prison during the plank for the St. Louis Convention. Law or Medium to bring to my Scance isters and Consuls abroad will be re-Summer months while the obnox-Roach left Albany for Cincinnativescalled, the army annihilated, and the jour Chinaman is drinking in the postal service stopped.
